

## **GEORGETOWN MEWS INFORMATION MEETING**

The Board of Directors of Georgetown Mews hopes you and your family are safe and well. We realize the past year has been difficult for all and appreciate everyone's patience and courtesy throughout this ordeal.

Even though New York State has begun to relax the restrictions for public gatherings, the Board of Directors and Charles H Greenthal & Co recognize that many shareholders are still uncomfortable attending a meeting with over 100 participants.

Therefore, the Board of Directors is planning to hold a video information meeting on:

**Monday, June 21, 2021 at 7 p.m.**

At this meeting we will have presentations by members of the Board, Robert D'Amico and Jim Goldstick of the management team. All of the presentations that have historically been made at the annual shareholders meeting will be presented at this video meeting.

Additional information about the meeting along with the link to access the video on June 21 can be found at [www.gmocmeeting.info](http://www.gmocmeeting.info). You will be able to ask questions via this website or you can send an email to [rdamico@greenthal.com](mailto:rdamico@greenthal.com) in advance of the meeting. We will use our best efforts to answer as many of the questions as possible at the June 21 meeting.

We are optimistic that we will be able to hold an annual shareholders meeting in person in 2022.

Very truly yours,

The Board of Directors
